

## Call for Papers

We would like to invite you to submit a proposal for the 2012 TESOL Arabia Annual International Conference & Exhibition, 8 – 10 March, 2012, at Dubai Men's College, Academic City, Dubai, UAE.

The theme of the conference is ***Achieving Excellence through Life Skills Education***. Proposals are welcomed from all teachers and educators involved in teaching English as a Second or Foreign language, including those who teach other subjects through the medium of English.

While we encourage proposals focusing on the conference theme, proposals focusing on other topics will also be considered. However, all proposals should focus on issues concerning the teaching, learning and use of English.

The website for submitting proposals is now up and running. To submit your proposal, please visit our website at <http://tesolarabia.org/conference/proposals>. The deadline for submissions is 15 November, 2011. We would like to encourage submissions from all levels of TESOL education, tertiary and non-tertiary, as well as from both public and private professionals in the field. Please forward this notice this to all your colleagues and friends who might be interested.

If you have any questions concerning your proposal, please don't hesitate to contact us.
